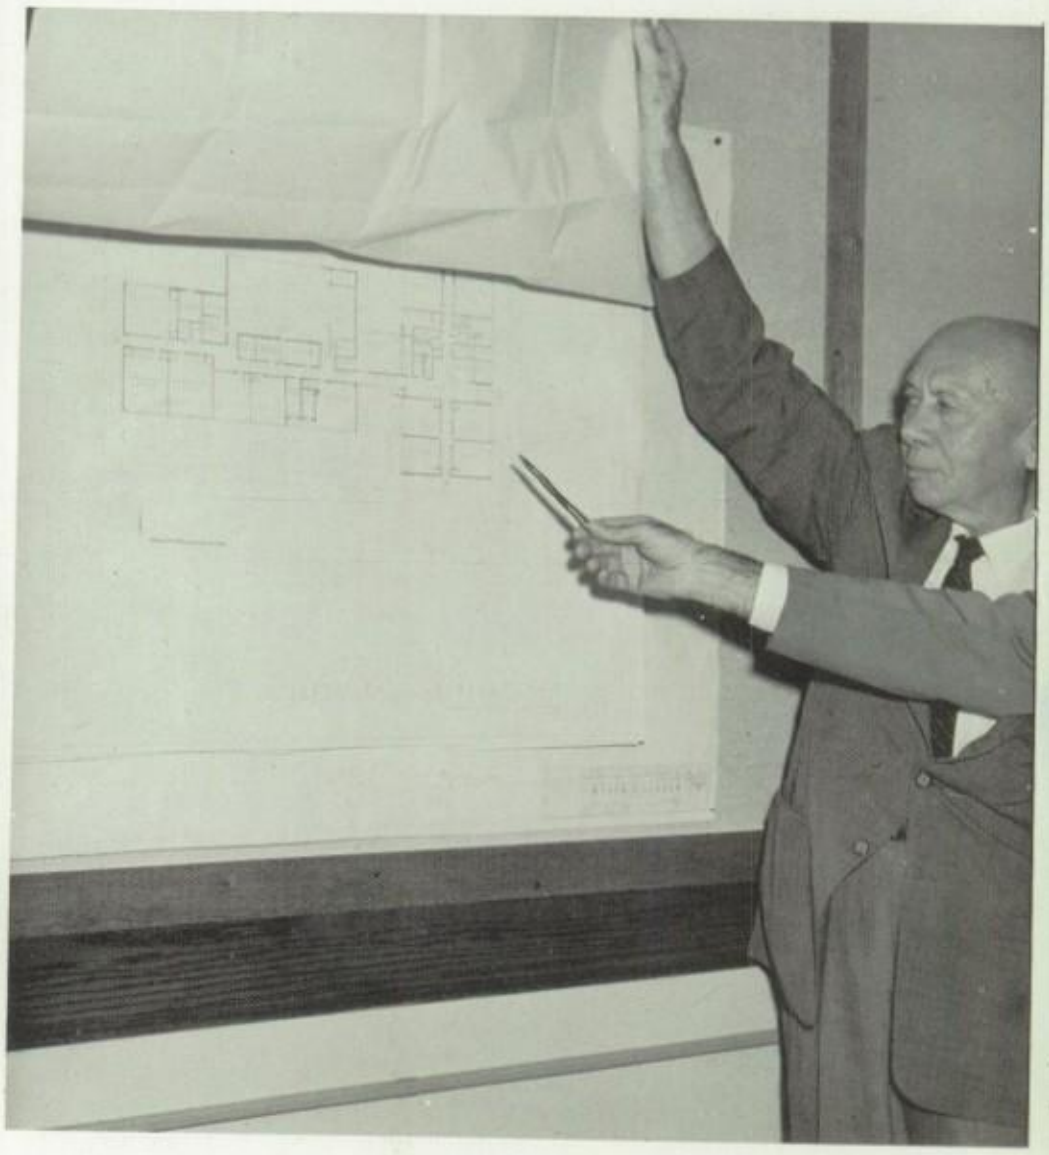
Board of Education Faces a Busy Year

Mr. Robert D. Agone has a full schedule of work ahead of him as Superintendent of Johnstown Schools.

The newest member of the Board, Mr. George Graham, examines a committee report with Mr. Agone.

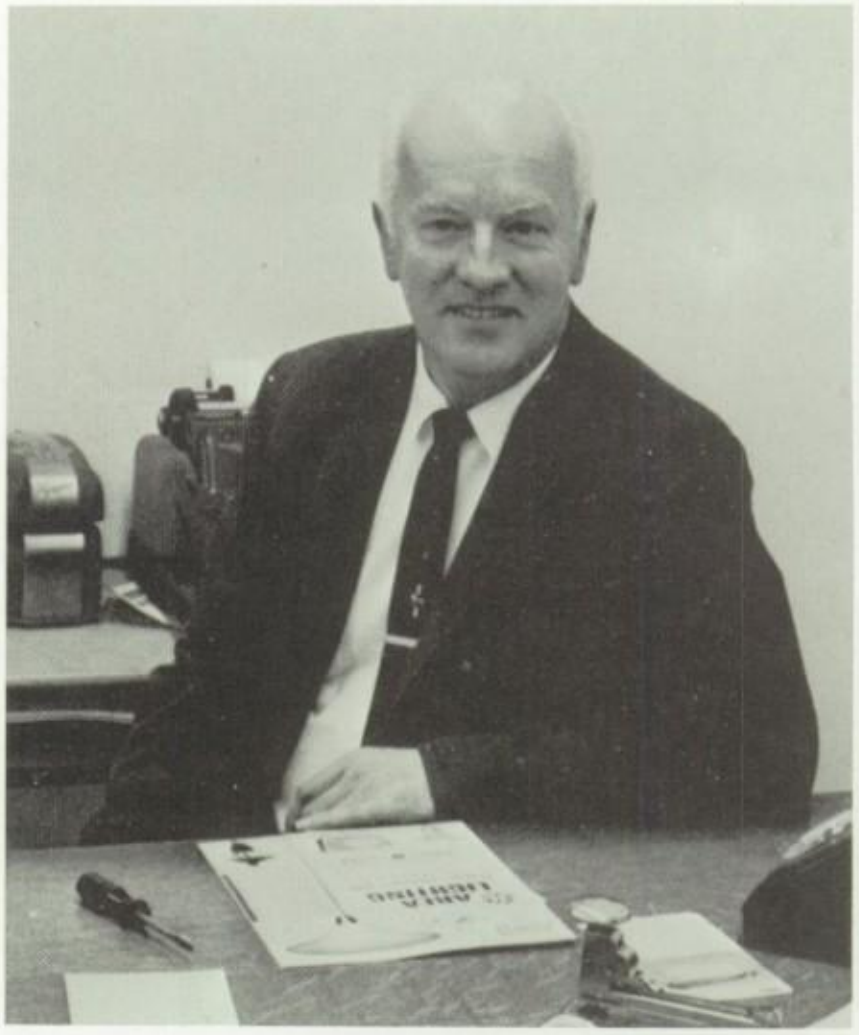


Mr. Agone points out plans for one of the new elementary schools to Mr. William Lampe, President of the Board of Education.

Mrs. John Moynehan, Mr. Robert Cross, Mr. Elmer Kelly, and Mr. Peter Raneri plan the purchase of textbooks for the new school year.

Board members, Mr. Harry Christman, Mrs. James Mac Intyre and Mr. Frederick Franko, discuss financial matters with Mr. Carl Diltz, Clerk.

Mr. Rauer is the new Superintendent of Buildings and Grounds



Mr. Perry retired in January as Superintendent of Buildings and Grounds after 14½ years of service.

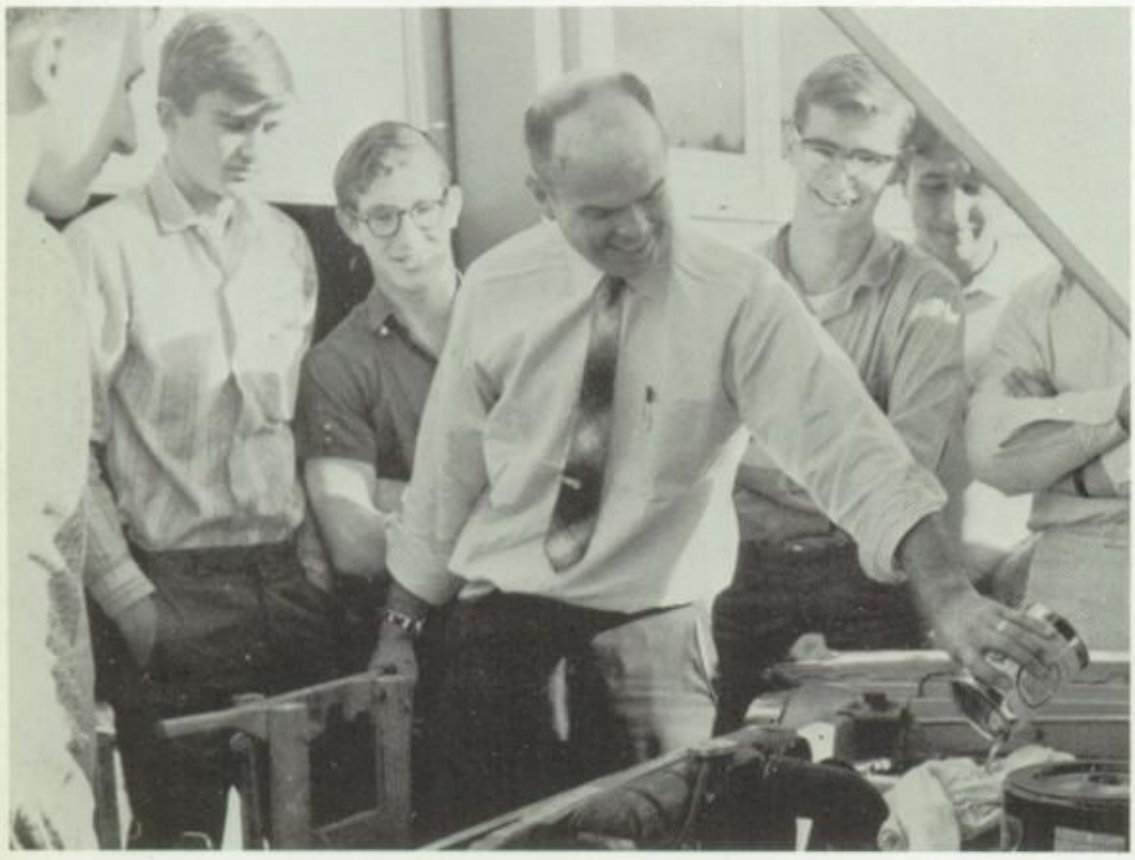
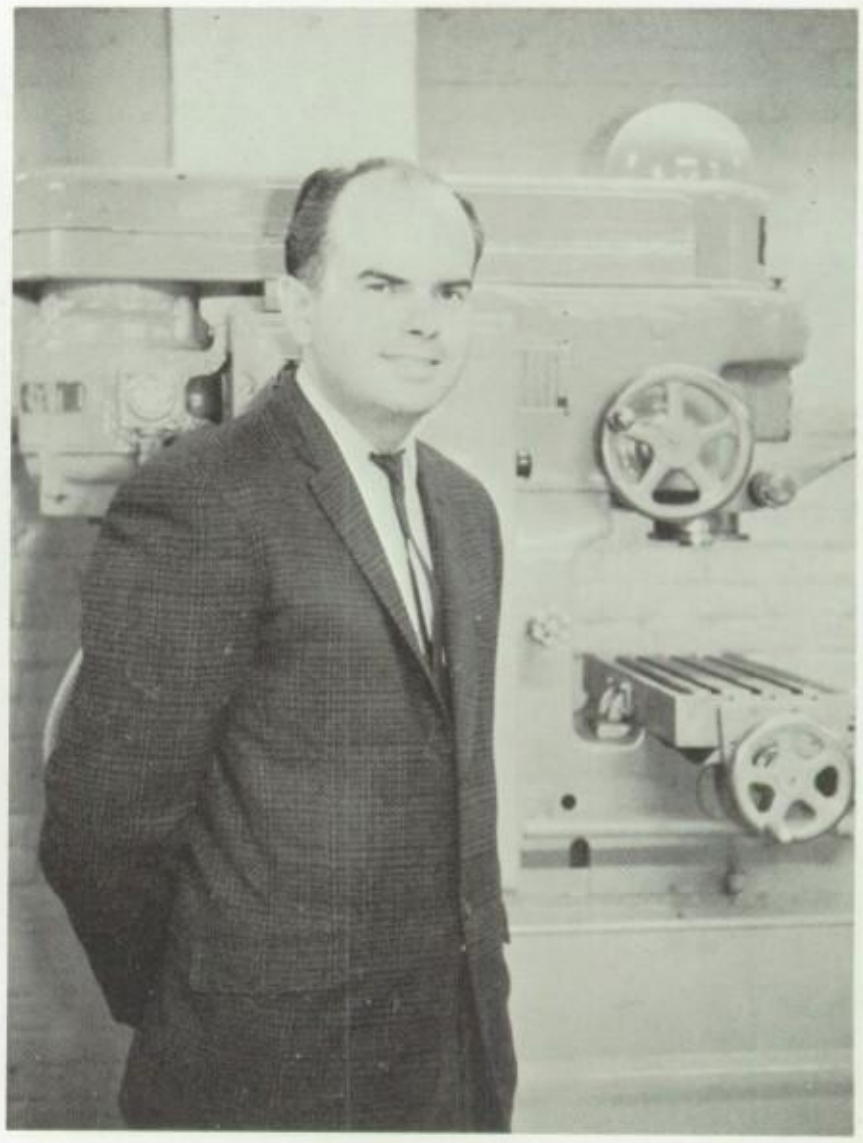
JHS Saddened by the Death of Mr. John King Sherman





The death of our industrial arts teacher, Mr. John K. Sherman, was a shock to everyone at JHS. Mr. Sherman was a dedicated teacher and was admired by all. He enjoyed teaching and lent every effort to developing each boy's talents in the field of industrial arts. His students enjoyed his unique way of teaching in which he combined humor and fun with work. Mr. Sherman spent a great deal of time training boys in the assembling of engines and motors. Several of his boys became so proficient that they entered the Plymouth Trouble Shooting Contest and, in 1965, won the regional trophy. A fund has been established at Johnstown High School for a deserving industrial arts student, and through this memorial, the memory of Mr. John King Sherman will remain alive at JHS.

Senior Class

Throughout our four years at JHS, we members of the class of '67 proved to be hard workers and capable leaders. Our senior year especially brought forth our best efforts. The Senior Class Dance in January was a success as was the Faculty vs. Students Softball Game, which we revived. We industrious seniors sold magazine subscriptions and put on a successful play, With the money we made on these ventures, we had an enjoyable banquet in May and a gala ball in June. With high hopes, the Class of 1967 looks ahead to a bright and successful future.

In Appreciation

Mr. Arthur Batty has contributed more to the Class of 1967 than many realize. He has acted not only as a devoted class advisor, but also as a friend to the members of the Senior Class. Because of his energetic application and ability to bring about co-operation in a pleasant atmosphere, many class functions, such as school dances, the Junior Prom, and the softball game were successes. The members of the Class of '67 will remember Mr. Batty with respect and gratitude for his untiring assistance.

Junior Class

Our Junior Class had a busy year, filled with social, scholastic, and athletic activities. In the fall, we received our long-awaited class rings, and took the PSAT'S. We became responsible members and often leaders of many organizations at JHS. Our hard work and united effort brought about a successful Junior Prom, which everyone enjoyed. We look ahead with great anticipation to our final year at JHS as seniors.

Sophomore Class

In our second year at JHS, we Sophomores began to develop into more mature individuals. We became active members of organizations. We joined JV and varsity athletic teams and revealed scholastic aptitudes. We planned a dance and other fund raising activities. With our solid foundation, we Sophomores look ahead with high hopes to our remaining two years at JHS.

Freshman Class

In our first year of high school, we Freshmen became acquainted with the activities and functions of JHS. We joined clubs, participated in sports, and began laying the ground work for our high school career. Our Freshman Class Dance, which was held in February, brought in substantial funds. This money will be set aside for future class activities. Since the ninth grade will return to the junior high school next year, we have the honor of being the last Freshman class at JHS.

Student Council Plans School Life

Playing a big part in the decisions made at JHS, the Student Council acts as a liaison between students and the administration.

This year, under Mr. Zoellner's supervision, the Student Council approved and purchased all scholastic and athletic awards. They also sponsored the annual Victory Dance and set up a school dress code.

BARONET Captures School Life

The campaign for a better yearbook for JHS students was carried on by the industrious *Baronet* staff. In 1967, more *Baronet* subscriptions were sold than in the previous year and more money in advertisements was collected. A very successful Halloween dance, featuring the Ex-cels, brought in a large amount of funds.

The *Baronet* had the coat check concession for all the home basketball games. With the additional money received, it was possible to have an attractive, embossed cover on the '67 yearbook. The new type-heading, which is italic, was another feature added to the '67 Baronet. The *Baronet*'s progress is evidence of the hard work and determination of a few students who want the very best for their school.

The J.H.S. school paper, the *Bugle,* continued its policy of improvement in 1966 and 1967. Helped by funds from refreshment stands at home football and basketball games and from its annual dance, the *Bugle* has progressed and improved. Money was spent on a headlining machine and electric typewriter. Their new printing press, which was purchased last year, was also used for printing programs for school activities. Besides publishing a fine newspaper every three weeks, the *Bugle* staff sponsored the annual W. A. Wright Scholarship basketball game.

Community Service By Friendship Club

Led by President Arlene Whittingham and new advisor Mrs. Magee, the Friendship Club has changed some in policy. Considering itself a service club, it has "adopted" a Korean orphan and organized a reading program through which the girls aid slow readers in elementary grades.

Meetings are held every other Tuesday at a member's home. Occasionally guest speakers talk with the girls. In addition to their varied projects, the members hold an annual tea and mother-daughter banquet.

Tri-Hi-Y Contributes to World Service

Meeting twice a month at the YMCA, Tri-Hi-Y girls combine socializing with service. Guided by President Kathy Monnat and Advisor Mrs. Stanley Bown, the Tri-Hi-Y girls sold candy to benefit the World Service. Social highlights for the year were an annual spring banquet, a dance, and a homecoming party for those members who had graduated.

Carole Fiorito and Mrs. Lorence discuss the sale of wrapping paper.

The Future Teachers of America had an active year of projects. Members sponsored a dance in September and held a tea for faculty members on Teachers' Recognition Day. They sold candy and wrapping paper, and with the money collected, contributed to several scholarship funds and sent several members to a college preview week at Fredonia State College. Members also waited on table, visited classrooms, and learned about the teaching profession at their monthly meetings.

M.A.C. Members Learn Nursing Skills

Students interested in a career in medicine or nursing had the opportunity to join the Medical Arts Club at J.H.S. Previously called the Future Nurses of America, the Medical Arts Club met monthly. At this time, films or guest speakers acquainted members with various aspects of the field of medicine. With Mrs. Aldrich as their advisor, members took field trips to area hospitals.

This year, the Future Secretaries of America Club was expanded to include many more business fields and was renamed The Future Business Leaders. At monthly meetings, members discussed ways to perfect their office skills and learned to develop the practices of successful business leaders and to select the proper clothing to be worn in the business field. Bake sales and candy sales were held to raise extra funds for educational activities and trips to various firms in the area.

Many prospective "coiffeurs" at JHS participated in the activities of the Future Beauticians of America Club. Twice a month, students met and discussed opportunities of different beauty schools, and often student beauticians from area schools came to the meetings and told about their studies and work. Several bake sales were held to raise funds for activities and trips. The main events for this year were a trip to a beauty culture school in Troy and the drawing up of a constitution, stating the purposes and values of beauticians.

Students Learn Management of Library

The Library Club, under the supervision of Miss Elwood, offers JHS students the chance to learn how a library is run. Members perform such duties as checking out and returning borrowed books and properly shelving them. Operation of the library is learned through guest speakers and films. Members sponsored an annual tea to show the new books to faculty members.

The Girls' Athletic Association provides high school girls with the opportunity to participate in intramural games, also to develop skills, new interests, and good sportsmanship. Members participate in various sports and activities "in season". Included in their schedule are field hockey, volleyball, basketball, bowling, track and field, and softball. Girls attend tournaments at other high schools in the Southern Adirondack Play Day League.

At the end of each year, athletic awards are presented to girls having earned a necessary number of points from participation in each activity. Points are accumulated from year to year and girls can become eligible for a special senior trophy.

Decisive Factor In JHS Strategy

players, looks for an opening in the line.

Co-captains Marty Krempa and Don Wilson discuss a technicality with the referees.

A small team that was expected by its coach to have a fair season displayed outstanding prowess on the football field and brought back the glory of "Johnstown football." Although smaller in size and weight than all of its opponents, the Sir Bills Football Team of 1966 came out in the end with a 5-3 record.

Outstanding on the gridiron were co-captains Marty Krempa and Don Wilson, along with seniors Bob Bean, Emmy Jones, and Mike Malatino. Several boys who developed into really good players through hard work and determination were Bill Zayicek, Dan Ackernecht, John Buell, Tony Santangelo, and Jim Wilmot. The four JHS back fieldmen were among the fastest in the league and this factor greatly contributed to the season's success.

Three decisive games kept the Sir Bills a "hairbreadth" from an undefeated season. Robbed of a win by Burnt Hills, a "fluke" game, Johnstown also lost to Bethlehem Central and chief rival, Gloversville. The Bethlehem Central game was a thriller, tense and close all the way. Fifty seconds at the end of the Gloversville game decided that contest.

After a fine season with a good team, Coaches Underwood and Benton have high hopes for next year's squad and are expecting experienced juniors and sophomores to carry on with Johnstown football.

Athlete of the Year — Emmy Jones

Being a three-sport athlete, Emmy Jones was a natural for the Athlete of the Year Award, given each year by the Holy Name Society of the Immaculate Conception Church. A superb performer in football, basketball, and track, Emmy well deserved the two trophies and great honor he received. Not only athletic performance, but character and school standing enter into the selection of the award's recipient.

To honor Emmy, a breakfast was held at the Immaculate Conception Hall on January 8th. Guest speakers were Billy Mills, clown prince of baseball, and Al Salerino, umpire for the American League. Emmy was presented his awards by Mayor Peter Wilson and by Father Lamanna.

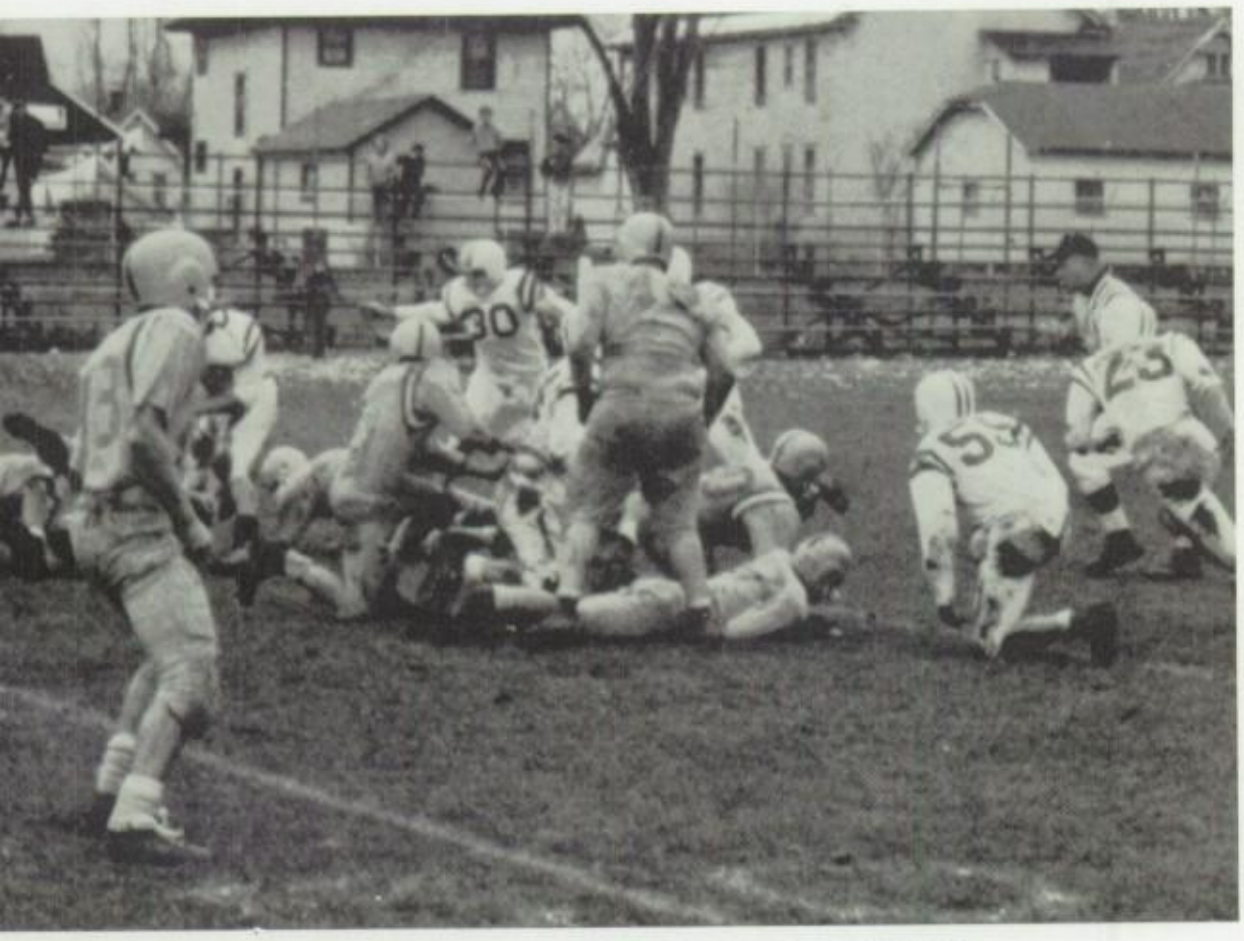
Coach Pollak marks out a play for the frosh squad.

Coach Bill Pollak's frosh football team broke Gloversville's 4 year record of JHS-GHS game victories by defeating them in a 19-0 upset. Due to the boys' sportsmanship, team cooperation, and individual leadership, the season drew to an end with a 4-win, 2-loss record.

Sharing the job of co-captains were John Van Alstine, Jim Mylott, and Bill Kitchen. Although the team, as a whole, played well, the individual efforts of Tom McGivern, Van Alstine, and Mylott often were responsible for the squad's success. "Dolgeville was our easiest game by far," noted Coach Pollak. Another easy victory was won over Saratoga when McGivern scored four touchdowns.

Coach Pollak feels that the boys are an enthusiastic and energetic group of guys who will be good prospects for a future varsity squad.

Opposition



Pile-up on the 30-yard line during the JHS-GHS JV game.

"Undefeated" is the best way to describe the junior varsity football team of 1966, as it closed its season with a 6-0 record. This outstanding season was brought to a triumphant finish as J.H.S. overran Gloversville with a 26-13 score.

"The key to this year's success has been a spirited, united team effort," said Coach Precopio. Because of an unusually large number of good players, no co-captains were chosen. Instead, different captains were elected to head each game. Although team participation was responsible for the team's success, many talented players emerged. In midseason, when quarterback Jack Siedlecki was moved up to the varsity squad, Bob Rickard stepped into his place and together with Carmen Pagano, helped steer many of the gridiron victories.

Arousing spirit at every game, the football cheerleaders rallied students and fans to boost the team's drive. Keeping up with tradition, the girls accompanied team members to church and breakfast before every game.

Cheerleaders were picked in the spring by faculty judges. Two separate squads, for football and basketball, were chosen for the two sports in order to give more girls a chance to participate in the cheering program.

As a highlight to the football season, preceding the Gloversville game, the cheerleaders presented a spirited skit based on the Huntley-Brinkley newscasts. The excitement over this tense game was heightened by the lively scenes, depicting both Johnstown and Gloversville players and cheerleaders. Always anticipated, the skit lived up to its reputation of gaiety and good fun and was a fitting ending to a good season of football.

Lloyd Sweet dashes toward the finish line.

With a final burst of speed, Lloyd Sweet pulled ahead of his opponents to set a new JHS record for the Grout Run. This was often the case as the 1966 cross country team forged ahead, winning meets and capturing titles.

Many JHS runners turned in exceptional performances. The number one runner, Lloyd Sweet, holds the JHS record for the Grout Run and for the Western Conference in addition to the Knox track and trail record. Co-captain Jim Folmsbee, the number two runner, set a new JHS record for the Section II Meet at Schenectady. Greg Baker, in his first year of competition, proved to be a strong anchor man, often contributing the winning points.

The highlight of the year was the chance to participate in the New York State Meet. Both Folmsbee and Sweet qualified for this event and their fine performances helped the team place fourth out of the best eight teams in the state.

Coach Purcell says that the '66 team must be rated as one of the best in the nine years of JHS cross country history.

Drive and a will-to-win gave the Sir Bill basketball team several victories in their 1966-67 campaign. Co-captains Frank Duchala and Emerson Jones, along with Bob Bean and his scoring and rebounding ability led the team on and helped instill spirit.

The season began successfully with five wins out of six games. All the games were exciting, fast-paced, and suspenseful, with many last minute decisions. But win or lose, the Sir Bills showed excellent spirit and sportsmanship.

A lot of excitement is in store for next year. Seven promising juniors now on the team should return next year and bring even more victories.

Basketball Cheerleaders Support Team

The Johnstown High School basketball cheerleaders in attending both home and away games, promoted school enthusiasm and boosted the team's spirit.

This year, the cheerleaders held a pep rally before the Johnstown-Gloversville game and initiated "Hush Day." They also made posters and distributed them throughout the building.

At the end of the season, tryouts were held and new cheerleaders were chosen for the 1967-68 basketball season.

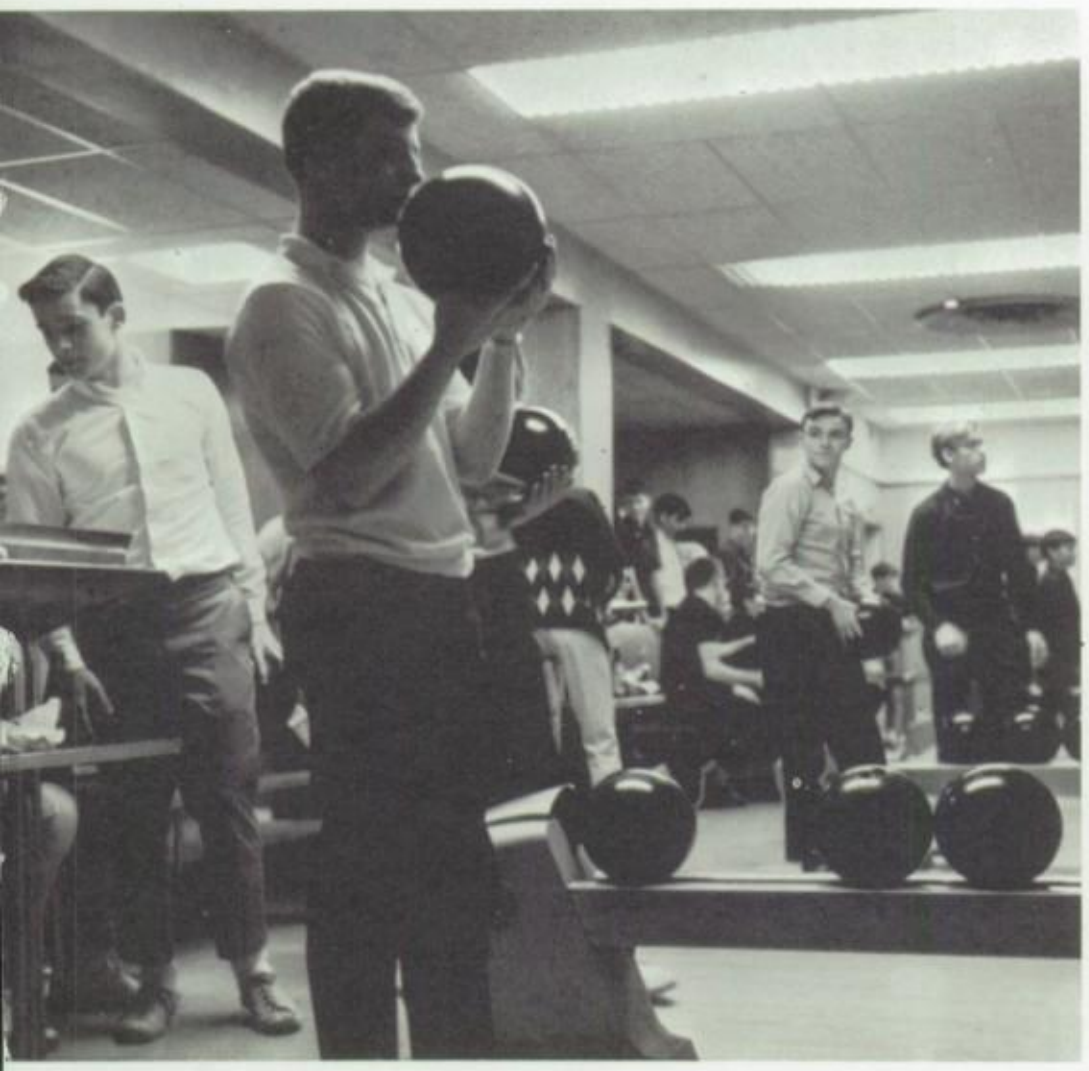
Rebuilds in 1967



Jim Folmsbee, leading point man of the Conference, lines up his next shot.

JHS bowlers had a fair season this year. Due to the loss of several high scorers on last year's team, the squad didn't have the necessary points to win many of their matches. Coach White has tried to rebuild the team this year, concentrating on developing the boys' form. Jim Folmsbee was the leading scorer and held the highest average in the Western Conference. Although the season was not too successful, the boys tried hard and showed great co-operation and team spirit.

Matmen Set Pace For Winning Season

In its third year of competition, the Johnstown High wrestling squad faced a tough schedule of matches and came out with a 9 win, 3 loss record. The 3 losses of the squad were against Scotia, Canajoharie, and Gloversville. However, the large number of wins gave the squad the chance to participate in the Western Conference Tournament, held in February.

Although wrestling is a relatively new sport at JHS, practice and hard work were responsible for a winning season. Coach Van De Walker reports that, although the team will lose seniors Conners, Steenburgh, Wilson, and Stuart, next year's squad should be strong due to the remaining underclassmen.

Ski Team Has Winning Season

This year, for the first time, membership in the J. H. S. ski squad included both girls and boys.

The most spectacular meet of the season was held at Lake Placid. In the second day of competition, the team pulled up from behind to capture 99 out of a possible 100 points, and took first place in the meet. Although seniors Sarah Schelle and John Hall will be leaving the team, Mr. Underwood expects good results next year, particularly from John Graham, John VanAlstine, and John Olds.

Girls' Swimming Provides Fun And Relaxation

Girls' swimming not only gave a chance for high school girls to improve their swimming techniques, but also offered an opportunity for pleasurable swimming. Every Wednesday evening from 7:00 to 9:00, the girls met at the Johnstown Y.M.C.A. for two hours of swimming practice. Although the girls participated in races, diving, and synchronized swimming, the majority of the time was spent enjoying the pool and practicing free style strokes.

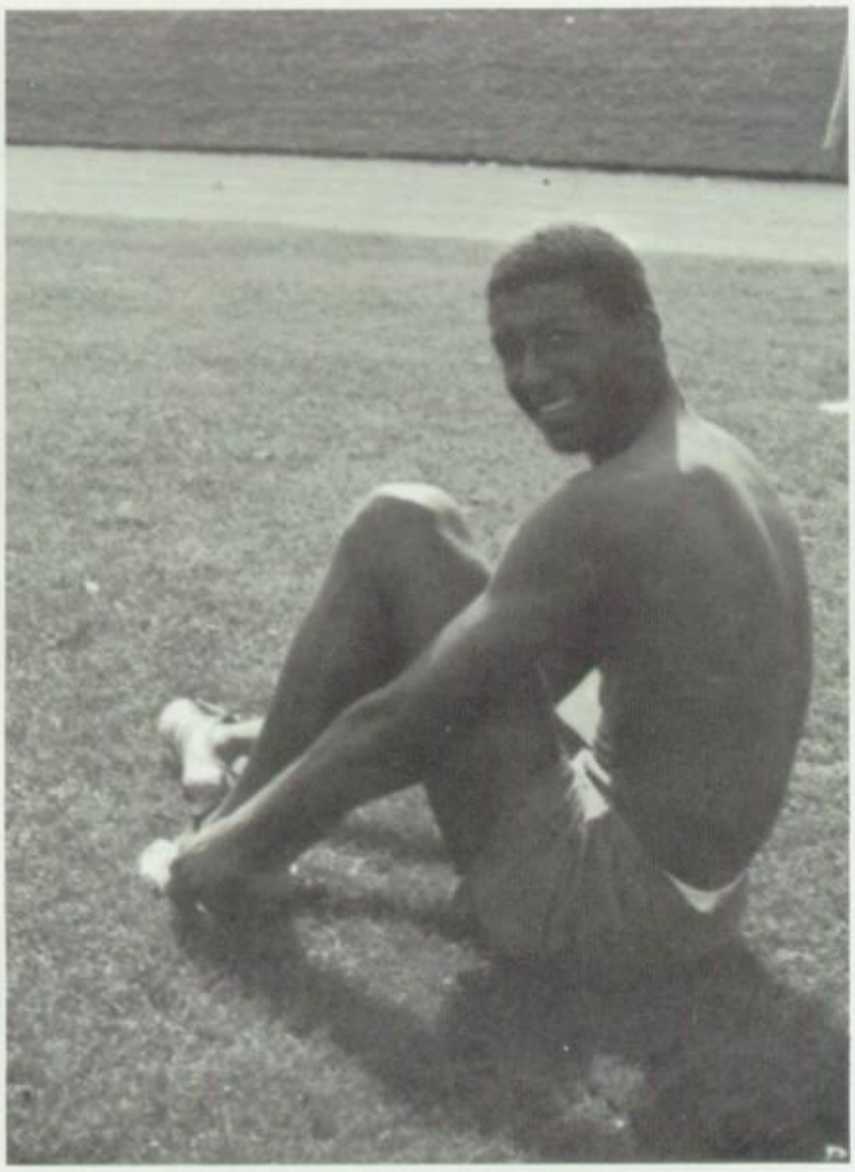
J.H.S. Track Team

Once again the boys of Johnstown High's track team attained their first place position in the Western Conference. Besides winning all their dual meets, the team also became Section II, Class B champions.

During the season, six records were broken and two were tied. Outstanding record breakers were Emmy Jones, Bill Zajicek, Mike Reardon, and Errol Jones, who topped his own triple jump score six times! The combined efforts of Bill Zajicek, Dick Fosmire, Don Wilson, and Dave Petersen added a win in the 880-yard relay at Burnt Hills, and the 5 points needed to win the meet and the Conference Championship.

Twenty-seven experienced track and field men will be returning to next year's squad.



Emmy Jones takes a rest between jumps.

"Keep trying, Mike . . . maybe you can do six!"

Fielding

Batter Up!

Fielding weaknesses resulted in a 2 win, 12 loss season for Johnstown High's varsity baseball team of 1966.

Senior Bob Ackley, with the highest batting average, and sophomore Tony Santangelo were our most consistent hitters. Pitching mainstays were seniors Jim Steenburgh, Frank Ripple, and Mike Biasini, along with juniors Al Hosbach and Ray Ortell.

The most unusual game of the season was against Draper. The game was played in a 19 degree hail and snow storm!

Coach Purcell, who will return next year, has high hopes for the upcoming team.

Coach Benton experiences a tense moment in the game against Gloversville.

According to Coach Benton, the junior varsity baseball team of 1966 ended its season with 8 wins and 5 losses.

Top pitchers, Kevin Bowman and Joe Vacula, had 4 wins and 1 loss, and 3 wins and 3 losses respectively. For the first time in 5 years, the Johnstown J. V.'s beat Burnt Hills. Other games that highlighted the season were the two wins over Gloversville.

Showing promise of varsity material next year are Tom Kralovic, Pete Valachovic, Bob Squires, and Gary Blakeslee.

After much hard work and many vigorous practices, the J.H.S. tennis team terminated the season with a three win-seven loss record.

The team's number one player, Robert Tartell, won the singles trophy of the Western Conference at Burnt Hills. Jack Trentleman and Tartell, as the one and two singles players, went to the Section II Playoffs.

Coach Clarence Conklin feels that the team will improve and gain some new support next year.

"No! No, Steve! Hit the ball, not the tree!"

At the first sign of spring, the golf team began practicing for the 1966 season. Since golf is a relatively new sport at JHS, the team improves with each year. Coach Jack Wroble reported a 4-win and 12-loss record for the year.

Varsity letters were awarded to all the team for their fine performance and participation. The team's most valuable player, Howie Borden, was again awarded the annual Golf Foundation Award for Best-All-Around Golfer.

Fountain Spouts Magic

"Three Coins in the Fountain"... So read the tickets to the 1966 Junior Prom held on May 14th in the high school gym. The setting was a sidewalk cafe in Rome. Red checked tablecloths, potted palms, and Roman pillars helped to play up the theme which was planned and supervised by General Chairmen Barb Moynehan and Tom Ruch. Ralph Gardner and his combo provided the music.

The highlight of the evening was the coronation of the royal couple. Kathy Monnat and Tom Ruch were crowned Queen and King by last year's reigning couple, Mary Jane Grecco and Jim Samek.

"After all these years at J.H.S., I still can't read!!"

Their high school career drawing to a close, 180 proud seniors marched to the strains of "Pomp and Circumstance" at Knox Field on June 27. The Valedictorian, Susan Kumpan, delivered her message, "One Firm Step." "What Price Tradition," the Salutatorian message, was given by Robert Ackley.

Psychologist and lecturer Dr. Cleo Dawson addressed the Senior Class in her speech entitled, "The Achievement of Happiness." Following her address, William F. Lampe, President of the Board of Education, presented the graduates with their diplomas.

WHEN YOU GET TO BE A SENIOR

When you get to be a Senior . . .
Mingled with those days of gladness . . .
There's a feeling comes a-stealing . . .
With a haunting kind of sadness . . .
There's a footfall just behind us . . .
Father Time is drawing nearer . . .
Days grow shorter and dearer . . . to the Seniors . . .

Three long years as pals and classmates . . .
Through the dark and sunny weather . . .
After all the tears and laughter . . .
You and I have shared together . . .
So . . . tonight . . . let's toast the memories . . .
And the ones who will come after . . .
May they learn what it means . . .
To be a Senior!

All the hustle and the hurry . . .
Point the way to graduation . . .
But . . . amid the toil and bustle . . .
And the feeling of elation . . .
Comes the thought: once from this doorstep . . .
There will be no more returning . . .
Then, some day . . . we'll be yearning . . .
To be Seniors!
